Führungen im Sommer: Guided Tours during Summer :

From June 15th to September 14th guided tours take place , offering an opportunity to visit the premises of the Paulick House, where Gustav Klimt and Emilie Flöge used to stay.

The tour is accompanied by local Klimt experts. The total duration is 2 hours including an information part of about 1 hour and a break of half an hour at the terrace to allowing visitors to enjoy the magnificent view over the lake. Subsequently it is possible to have a short walk in the garden and on the pontoon.

One or two times per year also tours including the tower are offered.
